

Le leader sécessionniste dit vouloir reprendre les commandes de la république chimérique d'Ambazonie.

En effet, dans un communiqué publié ce 02 avril depuis la prison centrale de Kondengui à Yaoundé où il est incarcéré, Sisiku Ayuk Tabe soutient que le gouvernement provisoire créé au lendemain de son arrestation au Nigéria le 5 janvier 2018, a échoué dans ses missions, notamment de protéger le territoire « ambazoniens ».

Il dissout à cet effet le gouvernement provisoire mis en place le 5 janvier 2018 par Samuel Ikome Sako, et dit vouloir reprendre le contrôle du mouvement séparatistes qu'il dirigeait avant son interpellation au Nigeria.

Message from President Sisiku Julius AyukTabe

1st May 2019

Dear Compatriots Southern Cameroonian/Ambazonians,

After sufficient review, reflections and consultations upon developments since January 5th 2018, and placing the paramount interest of Southern Cameroons aka Ambazonia's quest for securitization of our restored national identity and independence, and in full discharge of the moral and legal obligations of our servant-leadership, I want to extend my condolences to our bereaved families and reassure our people to remain focused. I hereby announce as follows:

1. Cognizance has been taken of the fact that despite the material and, particularly, the lives of Southern Cameroonians lost to an unrelenting genocide campaign against our people, the Caretaker Cabinet of the Interim Government (IG) has clearly lost its focus and footing in actualizing our restored independent Statehood and the march to end the illegal occupation of our homeland and our capital city, Buea;
2. Considering that despite all efforts by well-meaning Ambazonians responding to my appeals to keep the Interim Government afloat by accommodating the Caretaker Cabinet while these issues of infighting in the struggle involving grave improprieties both in management of material and human resources are sorted out, the Caretaker Cabinet has lost the ability to reconcile our people and, in doing so, has imperiled the identity and mission of the Interim Government to complete the decolonization of Southern Cameroons through advancing our collective national interests. It is incumbent on me as Servant-leadership Fiduciary to bring redress to the Southern Cameroonians-Ambazonians, to their struggle, and their nation, from their slow descent into a footnote of our own history.

The Federal Republic of Ambazonia

EXECUTIVE OFFICE OF THE PRESIDENT

Consequent upon the above:

- I. I hereby declare and direct that the Caretaker Cabinet is forthwith dissolved and that the Cabinet as was in office on January 5th 2018, when myself and parts of the leadership were abducted, be reconstituted, restored and reactivated.
- II. All changes that were made post our abduction are hereby placed on moratorium as of the date of signature of this order.
- III. Southern Cameroonians-Ambazonians and the entire world are hereby notified that any individual or group thereof, dealing with whomever other than the Cabinet as constituted and restored by this order, shall do so at their own risk.
- IV. The Country & Regional Coordinators, Members of the Restoration Council, Representatives of the Local Government Areas of Ambazonia (LGA Reps), County Structures, the Ambazonia Security Council (ASC), the Ambazonia Department of Self-Defense (DoD) and all Nationalist Movements are enjoined to individually and collectively give full effect to this order.
- V. Special thanks to the Acting President and to all Ambazonians who have served in previous Cabinets and who currently serve on any other revolutionary platform for your continued dedication to the struggle.
- VI. Call on all our activists to direct their focus on continuing to bring awareness to the plight of our suffering people and the atrocities of the enemy.
- VII. And we urge our people at home to remain grounded and vigilant in the aspirations of our independence
- VIII. Further directives shall be issued in the days ahead.

ISSUED THIS MAY 2nd 2019, AT THE PRINCIPAL PRISON OF YAOUNDE, CAMEROUN

With gratitude

H.E. Sisiku Julius AyukTabe
President, Interim Government, Southern Cameroons (Ambazonia)
